**Subject: Order for Compliance – Docket # V-W-04-A0-17
Milco Dairy, Henry County, Indiana**

Dear Ms. Burdett:

On behalf of Milco Dairy Farm LLC, we are pleased to submit two copies of revised site plans for the facility.

These plans, which reflect a modification to the IDEM approved expansion plans for the dairy, were re-submitted to IDEM today in response to their review comments. The silage runoff management plan for the facility is included in this plan set. I felt having the overall plan would help in your review.

Please contact me or Milco Dairy with any questions or comments.

Sincerely,
North Point Engineering Corporation

David A. Gerdeman, P.E.
Principal
